NEW BUSINESS

Board to Consider Petition for Rulemaking and Comments Received

Ms. Yeatts discussed the petition for rulemaking that was submitted by Mr. Lovelace to eliminate the requirement for a national examination for licensure of assisted living facility administrators and replace it with a state examination.

Upon a motion by Mr. Scott and properly seconded by Ms. Smith, the Board voted to reject the petition to eliminate the national examination for licensure of assisted living facility administrators and replace it with a state examination.

The members voting yes were Ms. Hunt, Mr. LeNeave, Ms. McNulty, Mr. Scott and Ms. Smith. There were no negative votes.

The motion passed unanimously.

Ms. Simmons had not arrived.

Ms. Yeatts stated that another petition for rulemaking was submitted by Ms. Payne. She is requesting that a registered nurse who meets the experience requirements for an assisted living facility administrator be allowed to be licensed without an additional examination. Comments will be received through November 26, 2008. Ms. Yeatts stated this petition should be placed on the agenda for discussion at the next meeting after the public comment period has ended.

Adoption of Exempt Regulation Regarding Public Participation Guidelines

Ms. Yeatts recommended that the Board adopt the model Public Participation Guidelines (PPG) regulations as an exempt action.

Upon a motion by Ms. Smith and properly seconded by Ms. McNulty, the Board voted to repeal Chapter 10 and adopt Chapter 11, the Model Public Participation Guidelines.

The members voting yes were Ms. Hunt, Mr. LeNeave, Ms. McNulty, Mr. Scott and Ms. Smith. There were no negative votes.

The vote passed unanimously.

Ms. Simmons had not arrived.

Regulatory and Legislative Report – Elaine Yeatts

Regulatory Status

Ms. Yeatts stated that medication aides and assisted living facility administrators have until the end of the year to be licensed. She stated assisted living facility administrators who are applying by experience have until January 2, 2009 to acquire their license; after which time, the experience route will no longer be an option for licensure.

Ms. Simmons arrived at 9:41 a.m.

There was discussion by the board as to what would happen to those persons who were not licensed by January 2, 2009. Ms. Hahn stated that the Department of Social Services will send to the Department of Health Professions names of facilities that are operating without a licensed administrator. She further stated that a Memorandum of Understanding (MOU) will be developed between DSS and DHP.

AGENCY DIRECTOR'S REPORT

Ms. Ryals gave a report regarding patient care disciplinary case processing times. She reported on the quarterly performance measurement from 2005 through 2008. Ms. Ryals discussed the clearance rate, the age of pending caseloads and the time to disposition of cases. She stated the goal of the agency is to resolve 90% of complaints related to patient care cases within 250 business days by the end of Fiscal Year 2010. Ms. Ryals stated the percent of cases resolved within 250 business days jumped to 85% during the last quarter from 73% from the previous quarter.

Ms. Hahn commended Ms. Ryals for accomplishing a phenomenal feat in developing a system and method to diminish the backlog of investigative cases.

Applying by Experience Expires January 2, 2009

Ms. Ryals commended the staff and the Board for getting the word out to organizations regarding the regulations. She recommended that a final attempt be made to reach out to the prospective licensees and to the organizations to be sure everyone is aware of the changes that will take place, effective January 2, 2009, in regard to assisted living facility administrators no longer having the option to be licensed by way of experience.

There was discussion in regard to methods to inform the public including: sending a letter to all facilities or creating a fact sheet; holding a series of town halls, preparing a question and answer sheet, preparing a press release; and notifying persons by mail or e-mail who submitted public comment and placing information on the website. There is concern that there is a belief among the industry that if they are not licensed by January 2, 2009; they still have 90 days to get their license; this belief is incorrect.

Ms. Hahn explained that anyone found practicing as an assisted living facility administrator without a license after January 2, 2009 are clearly in violation of the law. Ms. Hahn also stressed that after January 2, 2009, the experience option will no longer be available for licensure as an assisted living facility administrator; in order to be licensed, applicants must apply for the administrator-in-training program and meet the educational requirements.

Licensees Dually Licensed as Nursing Home Administrator and Assisted Living Facility Administrator

Upon a motion by Mr. Scott and properly seconded by Ms. Smith, the Board voted to count continuing competency hours for both professions, requiring that only 20 hours be accrued if a licensee is dually licensed and to prepare a guidance document to reflect this decision.

The members voting yes were Ms. Hunt, Mr. LeNeave, Ms. McNulty, Mr. Scott and Ms. Simmons and Ms. Smith. There were no negative votes.

The motion passed unanimously.

EXECUTIVE DIRECTOR'S REPORT

Licensure and Discipline Statistics

Ms. Hahn reported the number of current licensees as follows: 723 nursing home administrators and 205 preceptors licensed in the state of Virginia for a total of 928; and 139 assisted living facility administrators; 38 assisted living facility preceptors, for a total of 177. Since our last board meeting, we have received 10 cases and closed 21 cases. We currently have 5 open cases; 3 cases in Enforcement and 2 cases in Probable Cause stage. During FY 08, we received 23 cases and closed 36 cases.

Virginia Performs

The percent of patient care cases closed less than 250 days is at 73%. The board received a rating of 83% regarding the customer satisfaction survey and the licensing standard of issuance in less than 30 days was met by 100%.
